He wore not Christ's righteousness -- he was hogtied, and tossed out on his ear. Bad scene!

But we are about to come to a very special feast, one we commemorate each year in the spring when blossoms are everywhere, a new greenery beautifies the countryside, and we are to be a part of the spring festival. The Lord's festival is a festival whose attendees feel no regrets but come away feeling blessed.

We experience a fulfilling roll in His death and resurrection as well as all the other benefits such as planned giving, for we are not to appear empty. Oh no!, it is a feast of reciprocation where we give reminding us of the time that He gave. What an opportunity to do things right! Right time, right attitude, right with our God!

Coming from Fair Grove Mo. is Don and Donna Mohl. They are famous for making and playing their own instruments and will be providing much to the music. Real genuine Folk Mountain Gospel. We are in for a real treat as they provide genuine gospel melodies for us.

Home at last! No more rehabilitation centers for a while. Anyway, here goes. 

The Lord's Feast is what some folk call it
April 21 - 29 and many will stay through the Sabbath of April 30.

Yes, it's time again to honor our Saviour, and honor Him we will! As the saying goes, "My fatlings are killed", great speakers will soon be here, tents are going up, and the supper is well planned. Come to the feast!

I remember one call to come to His feast. It was prepared by the Father for His Son, but some chose rather to tend their farm, some tended their business. Only the poor and the lame attended willingly, and all but one received a real blessing!

Chris Hall

Mike Casey

Lyn Wright

Chris Hall will be marrying Sarah Hilt in May. This may be the last we see of Chris for a while. He has put together a most enlightening lecture for our Passover, service, I call it "Jesus through the eyes of Jacob and Joseph."

This will make a nice change. Music will be provided by the Mohls, lecture by Chris Hall, and a quick short overview of the Seder table By Elder VanDenburgh. Sermons by John and Randy will be forfeited.

Lem Ramirez is a favorite speaker at BE. His messages are deep and rich, and long quoted by attendees. Humble yet very positive. We consider him to be one of our best. His topics number seven and range from "Relevance of the Hebrew language" to "Under the Fig Tree." You won't want to miss a one!

Who will ever forget the rapid fire of Lyn Wright? To hear her lectures on the future prophetic fulfillments of Daniel and Revelation is a special treat. All new and exciting explanations that go more with our day than simply hundreds of years ago. Ellen White says that many of these prophecies have another fulfillment. "Study Daniel in connection with Revelation for history will be repeated." Lyn has made a study of these prophecies to show how she sees them in our future. Don't miss Lyn's talks. They do go by very quickly, and without a real desire to study, will simply fly right over your head. A double blessing awaits those who "have ears to hear."

Lem Ramirez

Gary Hullquist

And then there is this gentleman and friend Mike Casey! Everyone loves Mike. So amiable, so willing to talk between lectures helping folk with good means of natural healing and the techniques in obtaining them. We are very fortunate that Mr. Casey believes in the Lord's feasts, His statutes, and His authority to rule.

Long time friend, singer, and lecturer Gary Hullquist is coming from Georgia to speak, and sing duets with his wife Carolyn. Also our good friend Lee Schappell is

coming Maybe he'll sing about "the sheep and the goats" one more time.

Solomon Khunou is coming from South Africa. He is a long time statute observer and BE broadcast enthusiast. We have been trying to get Solomon to America for three years. He now has his boarding passes and will soon be with us. He will have 7 exciting talks including "Noah and the Feasts!", "Let No Man Judge You", and more!

This does not include other singers and speakers scheduled, but plenty to let all know that to stay home and make no provision to "come to the feast" will be a mistake. Surely our Saviour knows how to protect the farm and increase the business, or perhaps change both.

Porta potties are ordered, showers are in good order, and all is ready. Campgrounds will be open a week or two early for those who would make a vacation of it.

SCARY PROPHETIC INSIGHTS

Perhaps you read reporter Hal Turner's insights into world war 3. The gist of the story is that 350,000 troops, 20,000 tanks, 2450 warplanes and 460 military helicopters, some of which are loaned to them from their neighboring allies are ready to do battle. All the while Russia, on the other side, has repeated three times that foreign troops entering Syria without permission would be a declaration of war. So what is really taking place is the massing of invasion forces that would trigger WW3 by last February 28th!

The article is well substantiated with facts that lead to some foregone conclusions. One of which has to do with American fighting men.

You see being faced with such an impregnable force would require a nuclear response. Russia could field 100 Divisions, NATO could only field 12. Russia could field 18,000 tanks, NATO could field about 5,000. Such a balance would be negligible. The only way a balance of power could be maintained is to counter with nuclear warheads.

According to Turner, Russia is now facing an over-run in Syria starting in 18 days. The ONLY way they can stop 350,000 ground troops packed by 20,000 tanks, is to use tactical nukes. Their formal policy is to do exactly that. Hence, tactical (battlefield nuclear weapons) will be used. There's no way to avoid it because it is the only possible defense against 350,000 ground troops and 20,000 tanks coming across the border!

Americans, completely ignorant of who is really the bad guy here, will hear that "Russia attacked our allies with nukes." They'll gasp and off to war they'll go, to a war that would've already gone nuclear.

Because the whole story ran on the internet this is all I will repeat here except to say, as you probably know, the banks will be drawn into the scheme.

Right now, banks throughout Europe are on the edge of collapse from their bad loans, speculation and corruption. In Germany, for instance, Deutsch Bank has seen more than fifty percent of its stock value get wiped out, with 40% since January 1. People are pulling money out in droves. If (or when) Deutsch bank collapses, they are exposed to Derivatives worth \$50 trillion. When the bank fails, the 50 trillion hits the rest of the banks and they collapse also which is all they will be able to do.

The governments do not have the credit or the cash to bail out the banks again, when the banks go under - and they will - the governments need to divert people's attention from the fact that their life savings and retirement moneys have been wiped out. A "limited nuclear war" is just what they need to shift people's attention away from losing their life savings.

While it is a scary insight, February has come and gone. All I caught on the 5 o'clock news is that "Russia is standing down, tanks and soldiers from Syria and their allies are leaving the border country, and that the small

middle-eastern nations are enjoying a great time of peace."-- That's all, but it does lend some credit to Hal Turner's article.

All of this, and tons more, can be summed up in a very few lines of the Revelation:

And after these things I saw four angels standing on the four corners of the earth, holding the four winds of the earth, that the wind should not blow on the earth, or on the sea, nor on any tree.

And I saw another angel ascending from the east, having the seal of the living God, and he cried with a loud voice to the four angels, to whom it was given to hurt the earth and the sea.

Saying hurt not the earth, neither the sea, nor the trees, till we have sealed the servants of our God in their foreheads

Are the four winds given in a row? As in one two three - go? Or must it be as we've more often believed: 1-3 Go! meaning all four of the angels at once.

I wonder just how many times we have come close to WW3 in the past 10 years? And some mysterious "thing" happens and it all goes away.

One thing for sure that we do know about the 144,000 is that they all pass through a "great tribulation". This too could have something to do with the four angels releasing the four winds. One thing for sure is that the 144,000 will be mostly out of harm's way until the four angels are loosened by the 5th angel, and we know they will have a special heavenly armament even then.

So, how many times have we been told that the angels will hold that awful destruction, both spiritual and physical? At least until HEAVEN sends the word from the east. Then at least 12,000 from each tribe are sealed. Somehow I do not see this as an instantaneous event but one that will affect 144,000 faithful souls as the winds are loosened at the command of the fifth angel.

Regardless, surely the sealing is close, and the angels are about to be sent on their way. Woe, woe, woe to the earth as time marches on.

WE MUST STAY FOCUSED

The real issue will be the laws of man versus the laws of God. Read very closely the following:

"The time is coming when we cannot sell at any price. The decree will soon go forth prohibiting man to buy or sell of any man save him that hath the mark of the beast. We came near having this realized in California a short time since; but this was only the threatening of the blowing of the four winds. As yet they are held by the four angels. We are not just ready. There is a work yet to be done, and then the angels will be bidden to let go, and the four winds will blow upon the earth. That will be a decisive time for God's children, a time of trouble such as never was since there was a nation. Now is our opportunity to work. ST 712. Decisive time? Perhaps for the sealing of that special group we all want to be a part of.

China expanded its slowest pace in 25 years in 2015. Last February, the central government launched a \$15.3bn fund aimed at relocating workers who lost their jobs as part of China's supply-side reforms.

President Li has come up with some pretty good ideas on how to stop the decline, let's hope they work. China could topple a lot of currencies if she fails. We don't want to think of all the repercussions from that!

TESTIMONIES

"I have been watching your program, and I am falling in love with them. I am a member of Seventh - Day Adventist Church, New Jeshwang, The Gambia. May Yahweh continues to bless you and the ministry. Please, send me information about your Outreach program, Thanks." [R.A., The Gambia](#)

"Thank you so much, I got the free air to air decoder today that my daughter bought me and now I can listen to my heart's content to God's word, as I am a pensioner

and this is my joy to learn all I can, God bless." [RJ, South Africa](#)

"Just to let you know that we both enjoy BETV purely because out of all channels that proclaim the Bible and God's words, BETV is the only one that I can state is 100% correct and reliable and straight to the point. Thank you for your constant truths that we can rely upon. God bless you all." [A&H, Australia](#)

" Kia Ora from New Zealand. We have been greatly blest by your ministry so write to say thank you for your faithful commitment over the years. Having friends share with us the truth of our Elohim and having at least been exposed to the Appointed Times many years ago through our parents' neighbours (being Church of God) you might imagine our excitement when we saw on satellite this humble 'bearded' speaker using Bible, Appointed Times language, the True Names, very open unbiased teaching and then, amazingly, expounding the Spirit of Prophecy writings! It was a Moment!!

Although we had been given by our friends a website of a group of Adventists on the East coast of U.S. keeping the cycles, we had never connected, not being computer buffs. So we began our own journey learning from whoever was teaching on the subject. We found that one truth lead into another, the understanding of Appointed Times transitioning the Truth from black and white to an explosion of colour! We so appreciate the variety of all speakers you invite, enjoying our old mate Danny Vierra, life-changing teaching of Brad Scott and our favourite from 'down under' Adrian Ebens. And thank you Pastor Randy for your no-nonsense sermons and your love of music. Oh and we just have to love on our friend Bro Lee who sings our songs!" [AW, New Zealand](#)

Here's a donation for you. Thank you so much for being here for us! We are so blessed! [R.](#)

[Strangers in the Land \(continued\)](#)

Before father could reply, the French captain came back. "How do you like our ship, monsieur?" "It's beastly and inhuman. I have means," he added in a lower tone. Grand-pere gave him a warning look.

"I thought so, monsieur. Your clothes did not fool me. Your voice, your accent -- they were those of a gentleman. These means that you mention -- of what do they consist?" the captain asked.

Father took him aside and pulled out a leather pouch. Pierre and Claude strained to see what was in it. "It's jewels," Pierre whispered.

The French captain raised his voice. "That will be fine, monsieur. I shall see that you are well provided for."

"But I want the others down there provided for, too. These jewels are worth a king's ransom, and you know it."

The captain's tone was soothing, "Of course, of course. Everything shall be attended to. Just leave these matters in my hands, monsieur. It is a pity, this whole distressing incident. Of course, you realize you will not need money where we are going?" Again his voice was questioning. "Where are we going?" Father's voice was tense. "What? Didn't the Huguenot missionaries tell you?"

"No."

"Regrettable. It may come as a bit of a shock." The captain's polite murmur died away and he showed his crooked teeth in a wide smile. "This vessel has been ordered to sail to the West Indies."

If a death sentence had been uttered, the effect on the group would have been no greater.
